

WORSHIP DIARY

"Jesus answered him, 'It is written. Worship the Lord your God, and serve only him'" Luke 4:8

Worship is a reminder to each of us that we need to focus beyond ourselves. Worship is also a time to be together in community with other Christians. At worship we bond with the Christian Community while we deepen our relationship with God. Hearing God's Word, than singing and praying in response, we affirm what we believe.

As Lutherans, we talk a lot about Law and Gospel. Law does NOT mean Old Testament and Gospel does NOT mean new testament. Rather, Law is what we are commanded, convicted or challenged to do. Gospel is where we hear of God's love, grace and mercy. Law and Gospel can be found in both the old and new testaments.

Be specific in your answers.
